## **Campus Planning Committee Meeting Notes**

Meeting Date: March 21, 2024

Members Present: Nicola De Jager, Michael Flatte, Rick Fosse, David Hensley, Erin Litton, Dusty Persinger, Scott Spak, Patrick Taylor

Others: Shawn Albaugh Kleppe, Joe Bilotta, Lizzie Brackett, Martha Stoakes

---

### Baseball Clubhouse

The scope of the original project for renovation of the Duane Banks Baseball Stadium is being reevaluated due to funding changes. Currently, they are moving forward with a standalone clubhouse located just East of the dugout. This project is scheduled to be completed by next season.

This 2,300 square foot facility will provide space for lockers, a team restroom and direct field ADA access. The exterior façade being considered include black field wall, black brick and dark metal paneling. The roof, which can be seen from the stands, will display a tiger hawk.

Discussion around the Baseball Clubhouse included infrastructure for and consideration of a rooftop patio; the need for additional bleacher space down first base line; preserving the ability for more seating; potential for event space; signage on clubhouse honoring donors; alternate roofing materials; color options of the rooftop that would be better at deflecting heat; and what this club house offers in additional features.

Open discussion included an update on the status of the Mayflower residence hall, indicating that it is still for sale, but is expected to be used to house students next year. Also, the campus entry signage project that was reviewed by the group last spring has been put on hold due to cost concerns.
